"A FEW TO PRESERVE THE BEST"

January 11, 1984

From the Pres:

Well we at least survived another holiday season. Hope yours was as good as ours. For the next couple of months toward Spring it will seem like time is standing still. Don't be mistaken! Saturday, February 11th we will be getting together for our annual club dinner at Ashley's near Mitchell Field. Sunday, February 19th there is the swap meet at Mecca in downtown Milwaukee. Sunday, February 26th the swap meet at State Fair Park in West Allis.

We are also constantly working on our May 20th Schwister Ford Show and Swap. The handbills for the show should be available at the January 30th meeting. We are really trying to organize a first rate event that will draw many cars and people from the surrounding areas, but we need your help. Try to set that day aside. Participate with your cars. Volunteer for the various jobs. We split up all the work where possible into 2 hour shifts last year and everyone that helped still had time to enjoy the show and swap meet. We will keep you posted through this newsletter and at the regular meetings.

Those who ordered and paid for their new club jackets will be happy to know that they are finally in. And they were worth the wait. Very nice quality, both in material and embroidery. Future orders will not take much time now as everything is set to go. They are custom made satin-lined jackets with the club logo and your name embroidered. The price is \$40 each including tax. We can get almost any color combination you want in the jackets and embroidery.

Be sure you check the new club bulletin board at the meetings. It will have coming events, news and even last minute want ads of all sorts. It is something new we are trying and we will probably bring it along with us to the shows and swap.

Looks like our first over the road trip will be to the LaCrosse/Mississippi River area this spring. The Dearborn trip will probably be slotted into a September spot due to so much business during May and June. We hope to hold at least 4 "Over the Road" trips this year with all of them except Dearborn being one nighters. We might sprinkle in a day trip or two along the way if time permits. The planning, except for major events is back to a "take it as it comes" nature. Last year we had something going all the time and as a result did not get adequate participation in many of the events.

At any rate, keep in touch. Get ready to "Participate more in '84", and above all "Keep on 'stangin'".
