

Hi Ho Mustangers,

3/1/10

Well I for one can not wait for spring. The weather is starting to change and the car itch has started. We had the first outing of the season this past Sunday with the "Model A Swap". I am happy to report that the turn out was up, number of vendors was up, and the weather good. We had a lot of club members stop as well as friends at the booth. We got out a few hundred flyers and answered a boat load of questions. This year we added the computer picture show with the new projector. It was quite a hit as a lot of folks just stopped to check out the pictures.

The club dinner is fast approaching and that means WEM Member of the year. Please get me your votes by March 14<sup>th</sup> so we may finish the plaque by the dinner. As in the past, if you worked the show you have a free dinner coming. If you are not sure you worked the show you may contact Jack Winter as he has the master list. I hope to see you all there.

The Milwaukee Auto show was held last month and on the 20<sup>th</sup> the mustangers were invited to a special early in to view the 2011 Mustang. I was told that 50+ mustangers were there and they ran out of food and beverages. I like to see and hear that we show in force and meet or exceed what people think. This is a big club and it is nice to show the car community we are committed. GOOD JOB MUSTANGERS!!!!!!!!!!!!!!

The club pizza party was held on the 14<sup>th</sup> with 45+ members in attendance. The food was great and the fellowship better. I would like to thank my wife Sue for her hard work in putting this event together. I do believe that a good time was had by all.

I must say a big SORRY to all of you but, as we did not have a meeting last month I forgot to get out a cover letter for the news letter. I hope this will not happen again. I will write more next month.

Yours in Stangdom,

Tom

## FROM YOUR EDITOR

Hello!

Well the 2010 roster is well on its way. Plenty of renewals have been received, this is a good thing. We're glad that the club can continue to prosper each year.

It looks like spring is finally on its way. The cars may not be out of the barn yet, but there is still plenty to do. The club dinner is this month, where "Member of the Year" will be presented.

Don't forget to vote! It's a great dinner and lots of good company. Hope to see you there.

I'm sorry if the newsletter is a little late, but we just got a new computer and the transition is still in progress. I hope to be up and running....faster soon. Got to love new computers!

Also attached separately is an update from Dawn Raduechel on the Detroit Trip. As always, don't forget to check the calendar for up coming events
