"A FEW TO PRESERVE THE BEST"

May 5, 1984

" From The Pres. "

We are on the first over the road trip of the year. It's about quarter after seven and we are just freshening up to go out to supper with the rest of the gang. We had a nice drive up to La Crosse by way of Prairie du Chemin. Just came down from on top of Grand Dads Bluff ( what a view ). Hope all of our pictures turn out so we can present them at a future meeting. These trips are our favorites. When we are on the road as a group, it seems you feel the sense of belonging more than ever. That's why we keep boring the rest of you when we reminisce about this and that which happened on such and such a trip. We've been Blessed as a group and never had a bad one! Hope our luck holds out.

Just one last reminder about our May 20th Show & Swap at Schwister Ford. Please participate in one way or another. Also don't think it's too late to preregister to show your car. We need you there even if you sign up the day of the show. The swap spaces are finally starting to move. For a while I thought there were not going to be many vendors, but the last minute rush is starting. ( thank goodness )

The '01 red 'stang surprised quite a few people on the trip. Guess after all of my previous attempts it finally looks great. My personal thanks to a good friend Dan Danbrea and his son Tim who did all the final blocking down and shooting of the paint. We still have to finish the door jambs and under the hood, but wait 'till you see it!

Once I assemble the rear axle assembly, we'll get Shar's Orange Stang out of storage and back into service with the more compatible 4:11 gears. Should make quite a difference. Might even pull 4th gear in the city now!

Thanks to all of you at the April 30th meeting who bought 29th Anniversary posters, golf shirts, belt buckles, hats and other goodies. We are now in much better financial shape. Costs a few bucks to front a car show! We will be selling more of the good stuff at our club booth at the May 20th Show & Swap. Sport your colors and help your club at the same time.

We are off to a heck of a good start for the '84 season. Let's stay on the roll! Keep safe! God Bless You All! Above all, as usual, like us " Keep on 'stangin'".

*Wish*

( You really appreciate Shar's typing once you see mine. )

!PLEA FOR JUDGES!

Fellow members. I need more Judges for our up-coming show. Don't let the word Judge scare you as you can do it. Our Judging Form is very easy and you do not have to be an expert. Two eyes and an ability to write is all that is needed. For you people out there who would like to help out, call me at 354-0846, and let's talk about it.

Thanks,  
Bob Beauparland
