

Hi Ho Mustangers,

4/30/08

Well the car season has started with the “Jefferson Mud Hole Swap” with 4-5 inches of standing water. God I really love that show. I personally was not there but I have heard enough. No loss.

Sunday is the Ice Breaker Brunch Run with 33 heading out. We will be leaving McD’s at 845 am to drive the kettles and dine at the all new Fox & Hounds. It is always a fun drive and Jerry and Kathy do a great job on the route. Come hungry and leave full.

Show set up will be Sat the 17th at 430 pm. Please have all door prizes to Vern and Debbie before this date so they can finish the sponsor board. If any one has extra show flyers please get them to Bob Zimmermann before the show as we use them for the day of the show registrations. Hope the weather is better this year.

The Mississippi River trip is set. See the news letter for details. Also do not forget to check the calendar of events for up coming events like Mustang nite at Solid Gold McD on May 7th starting at 4pm to 9pm.

On to the not so lighter side. At has been a rough month for a lot of our members. Sal Loraino had surgery as well as Lisa Hucksdorf. Jon Kames lost his father and Cindy Helsing lost her mother as did Bob Zimmermann. Please keep these members in your thoughts. I am sorry if I missed any one. It was getting to the point I did not want to read a paper or answer the phone. That’s all for now, more next month.

Yours in Stangdom,

Tom

Car Show Help

A list of volunteers and times has been printed in this newsletter. More help needed. Please contact Jack Winter at home (262-786-0484) cell (262-370-1577) e-mail (jawinter@wi.rr.com) if you cannot make it or if you would like to sign up. We need to fill the schedule. One important area is the club swap meet. You will be selling things that club members have brought in and will have to keep track of monies owed each member. Thanks to all who have already signed up. As always, you are welcome to work additional areas if they do not conflict with the area you have signed up for. We would like most members to be there at 7:00-7:30 on Sunday morning unless you have been scheduled for a later shift.

Email Newsletters

I have getting quite a few members emails bouncing back to me due to incorrect or obsolete Internet Service Providers. If you should change your Email address please let club headquarters know so you will continue to receive your newsletter. Plus make sure you have my email address in your address book. This is another reason that the newsletters may be bouncing back. Thank You.

Club Web Site

Visit our web site www.wemustangers.com. If you have questions they may get answered here. All the latest newsletters and club pictures of various functions can be found here as well. Also there are the latest classified ads and links to other Mustang organizations. Give it a peek.
