"A FEW TO PRESERVE THE BEST"

June 30, 1980

The June meeting of The Wisconsin Early Mustangers was called to order at 8:00 P.M. by Vice President Bob Zimmermann.

The first order of business was the reading of the minutes and treasurer's reports by Secretary/Treasurer Bob Wroblewski. Hearing no additions or corrections to the reports, they stood approved as read.

The second order of business was Old Business.

Vice President Zimmermann first noted that anyone owning a slide projector should contact President Doria so we would have one at the next meeting to show slides from the Memorial Day Parade.

The next order of business was a report on signs for the sides of our cars by Paul Fisher. The question was then raised about multi-colored signs. Action on this matter was then tabled until the next meeting to do further research.

Paul Fisher then reported on club jackets for our group. He brought two sample jackets along to show. The prices for these are as follows:

Original Silk Screening.....	\$18.00
Nylon Shell.....	\$9.00
Nylon Shell with cotton lining.....	\$12.00
Nylon Shell with foam lining.....	\$14.00

Pete Yoss also volunteered to obtain price quotes from Batex Printing and report back.

Bob Zimmermann then reminded all members to keep the date of June 14, 1981 open as we were invited back to the Formolo Ford Show.

Bob Zimmermann then asked for a volunteer to locate a park for our meeting and family picnic to be held on either August 23 or 24. Bob Beauparland volunteered and will report back.

Bob Zimmermann then stated that any members wishing to make reservations for the Mississippi trip should contact Dick Doria. There will also be a pretrip meeting at Dick's house on July 7, 1980 at 8:00 P.M.

Under New Business it was noted that we will be getting into our newsletter soon. This will include highlights from the past meeting,
