" THE BOSS IS BACK ". If you will allow me to use a well worn phrase. I am now working for PABST BREWING COMPANY in MILWAUKEE. They may work the heck out of me, but at least I'm in town.

Good show gang! We had a very nice turn out for the May 31st meeting. Took care of some important business and had some good laughs.

Get ready for some good activities this month. June 12th is our daytime trip to Kaukauna. The 18th and 19th we are having an informal get together at the Les Stumpf All Ford Show in Appleton, Wisc. Saturday June 25th, Pete Yoss is conducting a Tech Seminar on Ball Joints at his body shop. The 26th is a short gimmic rally starting in Oconomowoc.

Shar's orange 'stang is getting close to the finish body wise. We've had it out on the streets a couple of times. Already had some good reactions to the unique power train. We'll both be glad when the project is done. She can enjoy the fruits of our labor and I can get back to the red convert. Hope to have some pictures for you by the next newsletter or two.

Participation in club events is getting better, but still needs much improvement. We are hoping it is only the weird weather that is holding you back. See you soon. " Keep on 'stangin' ".

May 14th Swap Meet

The weather was wet, but it didn't dampen the spirits of those who made the meet. Although the amount of sellers was down due to the weather, the transaction rate was very brisk. As usual I bought more than I sold. (a tradition now) Bob Zimmermann had some of his " Mustang in a box " deals near the end of the day. Also near the end, Ron Fitzlaff tried to double the inventory of Pete's Auto Body by sneaking his unsold treasures in to Ron Neisner's van. I'll bet Ron and Pete had more to unload than they came with.

To Red and Pat Evans from Milwaukee Engine and Machine, a hearty thank you for a job well done. They put a lot of work in to the set up, advertising and running this event. Next year we hope to see more of you take advantage of their fine hospitality.

Menomonee Falls Memorial Day Parade, 1983

I make a motion to elect a club song. "RAIN DROPS KEEP FALLING ON MY HEAD"! Seems everywhere we go those raindrops follow. But despite the weather we had a DYNAMITE turnout for the Menomonee Falls Memorial Day Parade. 21 cars!!

Bob & Judy Wroblewski provided the gang with hot coffee, juice, delicious homemade muffins, and fruit, before lineup. The weather cleared up long enough for the converts to put their tops down for the parade thru town. Afterwards there was the beer tent to keep everyone warm & dry.

Thanks A million times over to Bob & Judy! They really went all out for us again this year.

Baraboo Trip May 21st & 22nd

As usual it was raining when we left Milwaukee. Two red Mustangs representing 130 members. (get the dig ?) The Lorino's and Doria's were not discouraged. We knew Greg Gollner and family would be meeting us at I-94 and Hwy. 67. As we got closer to Madison the weather cleared completely. By the time we reached the ferry at Merrimac it was beautiful. That ride across the Wisconsin River is still a thrill. (some of you may remember our first club trip) Next we stopped at the " Old Schoolhouse " in Merrimac for breakfast, lunch or whatever. Wow ! the food was GREAT. After lunch we went North through Baraboo to our Motel in Lake Delton.

It was a very nice motel. We were all close together and close to our cars. That is until Sal Lorino, with claims of " back trouble " just had to have a room with a WATERBED. Lucky for Pat, when Sal got into the slightly underfilled bed, it took us a while to find him.

The Gollner's took their little girls in search of some fun, while the Doria's and Lorino's took a nice walk around the area. Sure is beautiful up in that Dells area. Many of the tourist type activities were not yet open for the season, but we were not fighting the summer crowds either. Late in the afternoon back at the motel we had a pleasant surprise. Vilas Richards, our Sauk City member, and his wife had come up to meet us and join us for Supper.

We had a very nice supper at the Fischers Supper Club. It was not far from our motel. Caught up on a lot of Mustang chatter during that session. After eating, the Richards' had to head back to Sauk City. They promised to try and make the Sept 25th Show & Swap at Schwister Ford. I hope so! Nice people. The rest of us went back to the motel and settled in for the night.

About 7:00 A.M. Sunday the second pleasant surprise of the trip occurred. I heard some noise out by the cars. Went to the window and saw Big Bob, Shirley, Middle Bob and Kelly Beuparland. They left Milwaukee at five in the morning to join us for breakfast. AND WHAT A BREAKFAST !! Brunch at the Burning Embers, a restaurant across from our motel. It was a gourmet delight, even Andrea went nuts.

A little after eleven we left for home. Now there were FIVE. A little more respectable. Nice drive back. Hated to see this trip come to an end. This is " Double D " saying bye to " Mr. G ", " Italian Stallion ", " Mr. In-Between " and " The Shadow ". "Till we ride again !
