

Hi HO Mustangers,

7/2/08

This summer has been a true summer of ups and downs. As true car folk we will continue on. The “Mother Nature” is always in charge. There is some nice news on something different to do in the up coming months. We had an offer to attend “The Masterpiece Club Day” at the lake front. This event gives the club a great moment to showcase Mustangs. It will be held on 8/23 and this event is only offered to clubs. We have been offered up to 24 spaces for 5’ cars or better. The spaces are very limited so contact Jeff Searing if you are interested. As this is a “roped event” you will need to spend the whole day there.

The club picnic is almost here and we need to move NOW. The event is 8/2 at 2pm. Anyone is welcome and this year I hope to have a few surprise guests included. If you are planning to come PLEASE call or you do not know what to bring, call. We do have some thoughts on what is needed. Sue and I would love to see all the members and family at this event. Please come for the fun.

Jeff Searing has laid out some drive night for the club. The next one is Haven City on 7/21. I was there in June and it is a great place to go. There is a lot to see there as the place was an old house of ill repute. I am happy to say that the owners have cleaned it up but, still has the sense of history. Great food, music, and a must see antique shop. See the newsletter for details.

The WI Ford Show is on 7/27. They have always supported our show with a great number of there cars and we, as a club need to support the show. This is an ALL FORD event. See the newsletter for details.

Up coming trips are The Horicon Marsh Run and if you can believe it Door Co. Run.. Please see the newsletter for details and sign up now. Space is limited on the Door Co. Run and we fill fast. That is all for now.

Yours in Stangdom,

Tom

### **Some Show Stats**

The list of show winners can be found in the newsletter. Congratulations to all winners

### **Club event DVD**

Thanks to Steve Klein I have a DVD with pictures of the following events. The Brunch Run. The Club Car Show and the Trip up the Mississippi. If you are interested in a copy of the DVD send me an email. I will have them at the July Meeting. If mailing is required there will be a \$3.50 charge for S/H

### **Club Newsletter**

I am having a bit of a problem with some newsletters sent by email. Many have been bouncing back to me as invalid email address. The main cause for this is the address has changed and never reported to club headquarters or your security is set too high and it rejects large group mailings. What I am starting to do is placing those returned because of invalid email address on the snail mail list. If you start receiving your email this way and you want to receive it via email. Send me your email address.

# The Wisconsin Early Mustangers

**From the Pres. (Retired, that is)**

July 2, 2008

Thanks to Barb and Dick Strack. The Mississippi River trip they planned was absolutely a blast. We had beautiful weather from the time we left Milwaukee, until 30 miles out on the way home. Many Mustangs were seen running "topless".

Outside of a few uncontrollable glitches, things went great. The main drag in Prarie du Chein was completely torn up. Naturally, that did not stop us from eating supper. The two hour power outage at the motel the next morning, only made getting ready to leave more challenging.

Speaking of OTR's, The more the merrier when it comes to CB radios. It makes it easier for us to keep track, especially when the groups get large. Don't be bashful. Even if you don't talk on them a lot, at least you can listen to all the senseless chatter that we tend to color the trip with. And, if a problem should arise, just give us a shout. For those without communication, our universal signal is to repeatedly turn your headlamps off and on. That should get somebody's attention.

In this news letter you will see the Door County 2008 sign up form. Don't hesitate to sign up early. The rooms tend to go quickly. They are first come first served. This trip is always a fun time. Shar and I will be looking forward to seeing many of the regulars, plus a few new faces. You won't be disappointed.

Thanks to the efforts of our officers and many members, there are a number of things happening this summer. Keep an eye on the included club calendar for cruise nights, shows, day trips and other events. Take advantage of them. The group works hard to try to have something for everyone.

My thanks to the gang from Authentic Automotive on Packard Avenue in Cudahy. They did some excellent work on the deck lid and right quarter of the "old war horse". The price was fair and the work was done on time. I have known Jim for a number of years. He always treats the customer cars as if they are his own. It is a pleasure to deal with them.

We are looking forward to seeing many of you at the August 2<sup>nd</sup> Picnic at the Miller's. Get those Mustangs out there and drive them. Before we know it, fall will be here. You know what comes next!

"Keep on 'stangin'".
