From the Pres.

Hard to believe that summer is drawing to a close. Where does that time go? We are still looking forward to our Schwister Ford Show and Swap Meet, September 25th and of course our 4th Annual Algoma - Door County trip on October 8th & 9th. We can't forget to mention the Annual Club Picnic on August 14th.

Shar's orange 'stang is now painted and buffed out. What a beauty. We are in the final stages of getting it back together and installing the interior. Still have to final tune the ferocious four and fabricate an air cleaner, but it's all downhill now. Sorry we did not get pictures shot yet of the final product. We should have some soon plus a rough cost breakdown of the project at a future date.

At our next meeting we will be signing up volunteers to work our show and swap on September 25th. Specific times will be designated so everyone will have an idea on how to plan their day. We will also start collecting deposits for the Algoma Trip. The trip has traditionally been a sell out of the motel, so we will reserve rooms for a \$15.00 deposit on a first come first served basis. If you don't make the next meeting and want to go, contact me by phone or just mail in a deposit.

Goodman - Laona Trip July 30th & 31st.

We left Mauwatosa Savings & Loan right on schedule. The sun was shining and it was a beautiful start for one of our best over the road trips. After picking up our north side traveling companions at I-43 & Brown Deer we proceeded up to Green Bay VIA Hwy. 57 for breakfast. Made it to Dunbar and the Richards Motel early in the afternoon. A quick stop for a light lunch at Shar's folks in Goodman and we were off to Laona and the Lumberjack Special Train Ride and Logging Museum.

Each room had a complementary spider in the bathroom, some more lively than others. Shar & I had the best one though, an "in room sauna" provided by a burst hot water pipe. They did provide us with a different room though. Dinner that evening was really great. Shar's folks joined us and celebrated their 40th Wedding Anniversary at the same time. It did rain that night, almost all night, but stopped at wake up time Sunday morning. We wiped the cars down and went to the Stoney Ridge Restaurant for a very nice breakfast. After a quick stop in town to say hi to Shar's grandmother it was top down time and off we went back to "Beer City". We did stop at the I-43 Rest area south of Green Bay for a mini picnic. All in all we had a good time.

Until Agloma time, this is Double D signing off. Italian Stallion, Big Z, Black Pony and "No Ears" (Greg) nice traveling with you.
