

Hi Ho Mustangers,

7/29/08

It is hard to think we are coming in to August. Where has the time gone this summer. The WI Ford Club had 230 cars at the Soren's show. I guess we have bragging rights this year for the largest ford show. I hope we all take this tongue and cheek. This all about fun!!

The night out at Haven City was a great time for all. 150+ cars were there and the food was great. 15-20 members made the trip. We had a hoot of a time with all the old show tunes the DJ played. I always like looking in the shop at all the old car stuff that they have for sale.

The Planes and Mains show was a bit different this year as they took stock to mean just that. The modified classes were packed and very few in the stock classes. We will see what will happen next year.

August 12 we have the burn camp run. We will meet at McDonald's at 545pm on HYW 20 and I43. We will leave at 610pm and pull in at 630pm. The HOGS will pull in at 700pm. Hope to see you there.

The marsh run and car nights are also up-coming so please see the news letter for details. I will not be at the marsh run this year as I need to fill in for a coworker who is out on a medical leave. Please keep Rick Hucksdorf and Dan Danbrea in your thoughts as they both will be having surgery soon.

Door Co. trip is filling fast. Get your money in as soon as possible. I think we have 7 rooms left. That is all for now as I need to get ready for the club picnic on Sat.

Yours in Stangdom,

Tom
