

The Wisconsin Early Mustangs

"A FEW TO PRESERVE THE BEST"

September 29, 1980

The September meeting of The Wisconsin Early Mustangs was called to order at 7:45 P.M. by President Dick Doria.

The first order business was old business.

Our business cards were received from the printer and a stack of them was handed out to each member. A new roster was printed and these were available to be picked up after the meeting. Dick Doria reported that he was working on a new list of parts houses which will offer a discount to our members, these should be ready for our next meeting.

Paul Fisher then reported on club jackets. He had several styles from which we could choose. The style of jacket which we wanted for our group was then voted upon. Members will be able to choose from several different colors for their jackets. The jackets will have our club logo on the back with an M.C.A. patch and members name being optional for the front. All jackets must be paid for in full at the time they are ordered.

Bob Wroblewski then read the minutes and gave the treasurer's report. Hearing no additions or corrections, they stood approved as read.

Bob Beauparland was then nominated and elected as activities coordinator. His job will be to keep track of upcoming events, this was done so that we may better schedule our events in the future.

Under new business, volunteers were asked for to form a committee to look into organizing a dinner meeting for our club. Members of this committee are Bob Zimmermann, Norm Kadow and Dick Doria.

Bob Zimmermann then gave a report on a recent trip which he took to North Carolina. He stated that the cars down there are really in good shape. He listed several Mustangs which were for sale for anybody that might be interested.

New members and guests then introduced themselves to the group.

Our next meeting will be October 27, 1980 at 7:30 P.M. at Wauwatosa Savings and Loan, 6400 S. 27 st. Oak Creek, Wisconsin.

It was moved, seconded and passed to adjourn at 8:37 P.M.

Bob Wroblewski
