

"CAR OF THE MONTH"

This month the "Car of the Month" serves two purposes. One is to honor another club member's car and the other is a plea to other members to be on the lookout for this car. This car belongs (or belonged) to Mark Lien and was stolen on the night of August 26th. The following is a description of the car as it was: 1968 Mustang Fastback GT, V.I. #8F02J173926, dark blue acrylic enamel exterior, black interior with '69 Mach 1 high back buckets, 289, 4 speed with HURST Competition Plus shifter, Edelbrock aluminum manifold, Carter 625 carb, headers, 9" rear end with 3.25 gears, Cragars with HFC T.A. Radials, Sanyo stereo with Jensen speakers. Mark has enjoyed a lot of fun times with the car since purchasing it 7 years ago. The longest trip he took with the car was last year when the 111' pony galloped through Dearborn, Canada, New York, Maine and then back to "bed" down in Milwaukee. Right now he'd be happy with a drive around the block in his 'Stang. If anyone has seen this car or parts of the aforementioned car, please notify Mark at 464-5500 or leave a message with Dick Doria at 761-2287.

"The Meeting"

FROM THE PRES.

Preservation
Restoration
Enjoyment

of 1964 1/2 to 1973 Mustangs, Shelby's

Glad to see many of you at all of our club functions in August. We had some great times together. We have two decent months of 'stangin' left at most. I finally was able to spend time with many members I don't normally see.

I would take it as a personal favor if as many of you as possible participated in our Sunday September 12th Picnic Meet with the Fox River Valley Mustang Club. They are out to show us up a far as participation. Those on the South end of Milwaukee are to meet me at Wauwatosa Savings & Loan by 8:30 a.m. We will drive up and meet those from the North side who will be meeting at Relocation Realty on I-43 and Brown Deer Road at 9:00 a.m. We will be going to Terri Andrae Park near Sheboygan. It should be a pleasant trip and a nice get-together. AGAIN, TRY NOT TO LET US DOWN!

Sar's little orange 'Stang has its front end off right now for repairs. When the hood is straightened and the fender bottoms are welded in, then we'll put the front end back together and start to install the repro rear quarters. The firewall and side sheet metal on the passenger's side are factory fresh, but the driver's side has some of the normal rust. This will have to be repaired before the fenders go back on. More next month.

Our annual trip to Algoma is shaping up to be the biggest ever. We are going to fill the 10 rooms at the Harbor Inn on a first come-first served basis. After they are gone, we will try to secure lodging for you at the River Hills Motel two blocks north. There are also rooms available at the Stebbins Hotel in Algoma. So, to avoid disappointment, get your deposits in to secure your room. Send \$20 payable to The Wisconsin Early Mustangs to our club address.

Our club is gearing up for a better-than-ever year in 1983. Our board meeting in Mid-November will plan the direction of our activities and dates for next year. Any and all members will be welcome to attend this meeting if they desire to pitch in with the planning.

Enjoy the good weather we have left. Try to make the Joint Picnic on September 12th and the Algoma trip on October 9th and 10th. Take care in the last months before hibernation. See you "keep on 'Stangin'".

THE MEETING - AUGUST 30, 1982

UNDER OLD BUSINESS: Dave Yahn reported on the fantastic Rally August 7th. Extra Rally sheets available through him — Bob Zimmerman and Bob Wroblewski told us about the Club Picnic August 15th — Bob Z. also reported on the Beloit trip August 20th and 21st — Judy Kurth fill us in on details of the Joint Picnic with Fox River Valley Mustang Club at Terri Andrae Park, September 12th. South riders will leave Wauwatosa Savings and Loan, 27th and College, at 8:30. They will meet the north riders at 9:00 at Relocation Realty on Brown Deer Road between I-43 and Port Washington Road. They've challenged our attendance, so we're looking forward to seeing you all there. If you can't make it up with the group, you're more than welcome to come later. There have grilles at the Park, so make sure you bring your hot dogs and hamburgers and "Beverages" —

2511 W. Carrington Ave. Oak Creek, Wisconsin

Dick Coyle will be looking into a joint picnic for next year with the Early V-8's — Deposits are being accepted for the Algoma Trip October 9th and 10th — A mid-November date will be set for a meeting to make out our calendar for next year. Everyone is welcome to attend. Use the form in this newsletter for suggestions — Business Card ads are \$45.00 a year, \$5.00 an issue. Talk to friends and relatives — We will not be holding a car show at Schwister this year, but Tony Vielgut is looking into things for next year.

UNDER NEW BUSINESS: Dave Yahn gave us a little insight on an October Rally in the making — Hats, Stickers, Decals, Flags, T-Shirts, etc. still for sale — Sal Lorino supplied the club with a few Consumer Guide magazines: "Mustang, The Original Ponycar" and also "Prototype Cars". These are on sale through Dick for \$2.00 a piece. — Mustang of Chicago Parts Catalogs were made available. 15% off on parts for club members — Max Reimoldt had a sample of rechromed plastic — Dave Yahn gave us a slide show of Elkhart Lake.

NEXT MEETING: Monday, September 27 at 7:30 p.m. - Wauwatosa Savings & Loan - 27th & College

"WELCOME HOME RALLY" - AUGUST 7, 1982

Well fellow Mustangers, if you weren't there, you really missed a great rally! Dave and Jackie Yahn sure succeeded in begging a few brains.

Fourteen cars spaced 5 minutes apart left the Shorewood High School parking lot. After going in circles and getting lost for approximately 3 hours and 45 miles, (a bit more if you happened to end up in Lannon and decided to take in a Rummage Sale), most of us made it to Pearle Vision Center at Northridge Plaza without ripping open the "panic envelope".

First Place trophy went to Bob Zimmerman. There was a three-way tie for Second Place and Club T-Shirts went to Bill Moy, Dick Doria and Judy Kurth. And the Middle-Man trophy went to Greg Gollner.

All I can say is: I had a FANTASTIC time, and I'm sure everyone else did too. So all of you who weren't there, put down your Rubic's Cube, pick up your compass, city map, (and a dictionary wouldn't hurt), and we'll see you at the next one Dave and Jackie are planning for us in October.

Dave and Jackie — You two really put a lot of time and effort into making this Rally and giving us all a great time. Thanks a heap!

OUR 3RD ANNUAL CLUB PICNIC - AUGUST 15, 1982

Extra, Extra, Read all about it . . .

Zimmie's Beat Doria's Second Year in a Row!!!

Wow! We really had a great turnout! I lost count, but we sure filled up that parking lot. Maybe it was all that free beer and soda the Club provided. Never the less, it was a beautiful day and a good time to get to know everyone a bit better.

Of course, we had the usual baseball and volleyball games. Bob Zimmerman's team won the annual grudge game against Dick Doria's team. No one could agree on the final score, but it was all in fun anyway.

After everyone filled their tummies, we had a quick mid-month formal meeting for the benefit of those who can't make regular meetings.

More baseball, volleyball, beer, soda and lot of Mustang talk. Just a beautiful day!

Lot of thanks goes to the picnic committee, Bob Wroblewski, Dick and Barb Strack, and Bob Zimmerman for organizing everything.

THINK OF ALL THE FUN WE HAD AT OUR OWN CLUB PICNIC -- Don't miss the
Point Picnic on Sept. 12!

BELOIT, WISCONSIN OVER-THE-ROAD TRIP - AUGUST 21st & 22nd

We left Wauwatosa Savings and Loan at around 8-8:30 Saturday morning. (Dick was late). Weather was beautiful. (No Rain during the daylight hours). Had a nice drive down to Beloit where we met the Witte's. Beloit's Holiday Inn is one of the nice ones and probably not the cheapest, but we sure made good use of it. Lots of swimming, whirlpooling and sunbathing. We got to town a little before check-in, so we spent some time looking around town and visiting a museum. (Yes, an art museum — Our club is turning cultural?). We had a bite to eat and also were invited to a local Mustang enthusiast's house for a short visit. When evening came, about half the group ate at the Holiday Inn (EXPENSIVE) and the rest of us (after being informed of prices) hit an excellent Italian restaurant called "Saladino's". (Probably named in Sal Lorino's honor). Half of the group went to the Stock Car Races in Rockford, while the other half stayed at the hotel for a night of relaxing and horse-talk.

Sunday morning, we had another swim and then breakfast or brunch. We met a nice couple in the parking lot with an excellent '66 GT convertible. Talked with them for a while and then hit the trail for home. "Short but Sweet".
