

The Misconsin Early Mustangers

"A FEW TO PRESERVE THE BEST"

Dec. 8, 1980

"The Beedbag"

"Merry Christmas and a Happy New Year from the Feedbag staff"

The Meeting-November 30, 1980

Under old business- Penny Ottow reported that our holiday get together will be held at her house 3400 S. Moorland Rd. at 8:00 P.M. on Saturday Dec. 13, 1980. Cost at the door will be \$5.00 per couple, \$3.00 per individual. Map enclosed. The second order for club jackets is to be placed the week of Dec. 1st (it was) Our February 14th dinner/meeting committee was to meet after the regular meeting adjourned. (it did) The Spring 1981 trip to Dearborn Mich. has been locked in to leave on Thursday May 14th. More information to come.

New business- Two new items were made available to club members. A 3" x 4" window decal at \$1.00 each. Official "Wisconsin Early Mustangers" club T-shirts at \$5.00 each. Bob Wroblewski is working on procuring a tire discount for club members from B.F. Goodrich. The idea of a spring car wash was brought up. Northridge Mall is to send us a list of their dates, with the possibility of a Mustang show there sometime in the future. Mark Lien has made a sensational offer to document the total restoration work he is doing on Mustangs in his shop, and set up a slide show for this spring. Mike Long will be getting some more information for staging a rally next year. Good work people!

As usual, after the meeting there was the normal Bull session. Some new members were signed up. More jacket orders were taken, and we sold lots of our new pressure sensitive window decals.

D.D. for Marlene

"From the Pres."

I would like to be serious for one short moment. My thanks go out to all who have been generous with time and labor in helping to make the club so successful. My appreciation also is sent to those who actively participate in the meetings and other club functions. But, I would like to remind the others that can't make the meetings, functions or trips for one reason or another, Don't feel any less a part of our club! Remember, our primary purpose is to preserve, restore and enjoy early Mustangs. The activities are the frosting on the cake which make us a great club and strengthen our mutual bond, but not our sole reason for existance. We active members are looking forward to be joined by the rest someday, but until then still consider them every bit an important part of our organization.

(cont'd)

All of us on the W.E.M. staff would like to convey our wishes for a happy and enjoyable holidays, followed by a healthy and prosperous New Year.

Don't forget our next meeting---January 26, 1981----Monday night 7:30 P.M. Wauwatosa Savings and Loan 6400 S. 27th Street. Oak Creek. See you then!!!!!!

Please give the following new members a cordial welcome to our club. Also add them to your rosters.
