"A FEW TO PRESERVE THE BEST"  
"The Herdby"

December 12, 1983

From the Pres:

Merry Christmas and Happy New Year to all of you from myself and the other officers and board members of your club. Hard to believe it's that time of the year already. I thought we were just getting the cars ready for the Memorial Day "Falls" Parade and here it is Christmas! Before we know it, time will come to get those ponies out of storage.

In the time between now and Spring we have lots of work to do, and a lot of fun too. On the work side we are really getting a good bite on organizing our "2nd Annual Show and Swap" at Schwister Ford on May 20th. Much more news on that at the January Meeting. We are also working on a Dearborn trip for late spring or early summer. On the fun side we have our annual club dinner set for Saturday, February 11th. Sign up and details elsewhere in this newsletter. I have signed us up for a swap space to advertise our club at the February 26th State Fair Swap Meet. Once we secure a space at the Mecca event we'll be set.

So don't go into hibernation like the cars do for the winter. Keep in touch and keep active but above all "Keep on 'stangin'".
