"A FEW TO PRESERVE THE BEST"

THE FEEDBAG-DECEMBER 2, 1986

From the Pres'

This months edition comes to you from the "Windy City". Sorry that I could not make the monthly meeting last week. Really would have liked to see you all before the end of the year. looks like everything is going well for our bowling outing and our annual club dinner. How about some good participation in these events to give those organizers a shot in the arm. Not to mention your old Pres.

I just received the first newsletter from the Midwest Ford Club. It really looks like our friends from Zion, Ill. have their act together. I can't help from getting caught up in their enthusiasm. WE hope to reciprocate a bunch for all the help and support they have given us in the past few years. I feel that this will be the start of a long enjoyable relationship between the two clubs. We are all really Ford fanatics at heart. Right?

Christmas is fast approaching and I still haven't had time to do my annual ten minutes of shopping. Shar does all of the serious stuff. But I always like to get a little something for all of them to sort of give that personal touch. Tradition as I have set it demands that all of the gifts are wrapped in old newspaper with all of the lucky recipients names written on with a marking pen. Real class!

My congratulations to Bob Z. on the nice job he is doing on our newsletter. I know this months issue will be bigger and better than the last. We needed that type of input to get a little spark back into this thing. Don't be afraid to present items for consideration in the future issues. I know he will appreciate them.

Have a very Merry Christmas and a Happy and prosperous New Year. As always "Keep on 'stangin'".

Dick Doria

# May your Christmas be filled with pleasant surprises...

FROM YOUR EDITOR:

Well my first issue of the FEEDBAG is now history. I must admit when I volunteered for the assignment of editor I did not fully realize all the effort that was generated by those responsible for you receiving this publication. I would once again like to tip my hat to Kelly Beauparland who was responsible for the distribution and typing of articles, and to Pres. Doria for editing and printing. I now can fully appreciate all your efforts. I would also like to point out that many in our organization do not comprehend what goes on behind the scenes to keep our club running smoothly. So for those of you that have been active in the planning and organizing of our club functions in the past thank you. For those of you who havn't been overly active join in now you are missing out on the most enjoyable part of our group. We have added many new faces to our family over the past year or so, who could offer some new ideas to keep our Mustang club fresh, let's hear from you! You can start by joining in on the fun at our bowling tournament or by attending the club dinner. Both events are rapidly approaching. Remember it was the Mustang that brought us together, but its the people that keep us together....

MERRY CHRISTMAS AND HAPPY NEW YEAR

BOWLING TOURNMENT January 18, 1987

Due to the great response to the bowling tournment I have extended the entry deadline to Dec. 31 1986. The tournment will be held at Three Seasons 7501 S. Howell Ave. The fee, \$7.00 per bowler, which includes the cost of bowling three games and prize fund. This is a gimmick tournament score does not determine winners. There will be approx. \$300 worth of prizes given away. The grand prize is a 13" color TV. Family and friends are welcome to participate. Starting time is 1:00 sharp. Please send in your fee as soon as possible to:

Bob Zimmermann

1965 Falcon Futura 2 dr Hdtp Owners: John & Kathy Lerner

Vin: 5H17C261855 289ci/200hp C4 Auto

Metallic blue with light blue/metallic blue interior, AM radio, factory dash mount clock, deluxe wheel covers, dealer installed stainless steel fender skirts.

My Falcon was purchased from a co-worker in May, 1985. He found it on the back lot of a California used car dealership during the summer of 1980.

During the drive back to Illinois, the only problem encountered was with the water pump, which died someplace in the middle of Iowa. It was replaced at a small Ford dealership with one that was in a box covered with dust from sitting so long on the shelf, waiting for my Falcon to come for it.

CONTINUED NEXT PAGE

From 1980 to 1985, this Falcon was used as a Sunday driver and parade car, never seeing winter's salt and snow.

Since I bought the car, it has been used as a show car, a daily summer driver, a Sunday cruiser, and for our Mustang club trips -- an all-around fun car.

The interior and trunk have been redone, the front and rear bumpers rechromed, and an NOS grill installed. I rebuilt the engine to Ford specifications and redid the entire engine compartment.

Sometime this winter I plan to install the factory air conditioning unit which is waiting in the garage. Later, as time and money permit, the body and undercarriage will be repainted and the transmission will be rebuilt to ensure many more miles of carefree cruising.

This car is definitely a keeper and will be in our family for a long time to come.

(editors note) A special thanks to John and Kathy who supplied me me with the photo copy masters to be used in our car of the month feature. I felt it appropriate that I feature their car first to kick off this new monthly addition to the newsletter.

The annual club dinner will be held on Saturday February 7,1987.

Pete Yoss is taking care of all the arrangements for this club event.

If you did not sign up for the dinner at the November meeting and would like to make reservations to attend please contact Pete as soon as possible. Tentative arrangements are to have a sit down style dinner at the Tyrolean Town House on Hwy 100. Exact time and cost will be in next newsletter

Call Pete at 529-2299 to make your reservations!!!!!!
