

Hi Ho Mustangers,

2/17/09

Not a whole lot to report on this month. I will try to fill a part of the page with a few highlights. First is the pizza party and it was great. There were 50 members and guests at Mike & Angelo's for great food and service. The staff really stepped up to the plate, sorry about that pun, and made the event the great outing we have come to expect with all our outings. They did a great job from drinks to hot food out of the kitchen and all of us paying the bills. A big thanks goes to my wife Sue and Dick Doria. It was so nice to see and talk with so many members in such a relaxed environment.

There are a few up coming events on the radar. First is the Model A Swap on 3/1 at the Washington Co. Fair grounds. This event is what I think is the kick off of the car season. We will have a table there to pass out flyers and to see old friends and hopefully make some new ones. If you are looking for a part or just want to hang out and wish the snow and salt away it is the place to be.

There is still time to get your votes in for Mustang of the Year. I will need your votes in by 3/10 so the award can be completed. The award will be presented at the club dinner on 3/30. We do need to know if you plan to attend so see the newsletter for details. We will be at the Polaski Inn again this year and if any one needs directions please feel free to call me at any time. It was brought to my attention that we need to have maps to get to events. I think if any one is having trouble finding something, please do not be shy about calling myself, a board member, or fellow club member. After all we are family.

Just a quick note on member Mike Johnson. Mike was in the hospital for a brief stay and I believe he is now home and recouping. We all wish him a speedy recovery.

Yours in Stangdom,

Tom
