

Hi Ho Mustangers,

12/28/08

Well another year has come and gone, where does the time go. We are getting a new year started so let's get to it. First is the pizza party on 2/15. It will be the same as last year and like last year please let Sue or myself know if you are planning to come. We do need to let Villa Roma know a count.

Second thing is WEM member of the year. As of today, I have gotten only one vote. Please get me the name of your choice as soon as possible. We have had some great winners and I can not wait to see who will win this year.

Third, the model A ford show is coming up soon. See the news letter for details. This show is the big kick off for pushing our show to the masses. We will have a table again this year and I am looking forward to seeing both old and new friends at the show. It is a lot of fun to answer question and just chat with the attendees. Everyone has a mustang story. I am hoping the Wisconsin Ford Club will join us this year, I kind of missed Russ last year.

Well that should be enough to keep you all going for a while. Just a quick up date on Toys for Tots, 25 or so members were there with a mountain of toys. The food and banter were outstanding and I would like to thank Carol and Craig Cameron for opening their home again this year. We made a lot of kid very happy this year. Great job to all!!!!!!!!!!!!!!
That is all for now, more next month.

Yours in Stangdom,

Tom

FROM YOUR EDITOR

Show Meeting

Our annual car show meeting was held in December. The minutes of this meeting are in the newsletter. Once again help is needed from all our members. Remember to volunteer the day of the show or help get those door prizes.

A message from Craig and Carol Cameron

Thanks to all of you Mustangers that supported our second annual Toys for Tots program. The salads and desserts you brought to our place were fabulous and the fellowship (except for the under-the-weather host) was great. And, we thank those of you that couldn't make the party, but still sent a toy. We collected even more books, toys, and games than last year. We look forward to hosting this event again in December 2009.
