

Hi Ho Mustangers

7/2/09

Well things are starting to warm up. We had a lot of stuff to go last month starting with the Power Tour on the 7<sup>th</sup>. I did get down to Racine and saw some real sweet rides. The lake front is a great place for a car show but it was a bit cool. I also made it to the Fox Valley show and saw a few members from Milwaukee there. The show had about 125 cars. All in all, a nice show. There were a few more members at the Muskego Cousin's show. It was hard to tell how many cars were there as there was no order in parking. Show car did not have to register and were parked in with non-show cars. I also hit the Pandles show with 5 other members. The night was quite cool and there were not that many cars there.

July is always a busy month starting with the Holtz show on the 4<sup>th</sup>. I have heard that they have 500 cars signed for the show. On the 9<sup>th</sup>-11<sup>th</sup> is Iola show and swap. As always I will be there. Let us not forget the Soeren's Ford show on the 26<sup>th</sup>.

It is time to start thinking about the picnic at the Miller's. If you are planning to attend please get a hold of us so we can get a count. The program is the same as last year and Sue asks that every one sign up for the same stuff as you did last year. The Kline's have a marsh trip planned for Aug. 9<sup>th</sup>. The Masterpiece Show will be on Aug. 22<sup>nd</sup> & 23<sup>rd</sup>. Dick is starting the Door Co. sign-up. The room will go fast. All the details are in the newsletter. That is all for now, more next month.

Yours in Stangdom,

Tom

#### Newsletter (SNAIL MAIL VS EMAIL)

I would like to thank the 6 members who converted their monthly newsletter to on line. It is much easier and add up to a good savings a, which in many cases is passed down to our members. There are about 20 left who have email accounts but still get their newsletter via USPS. Please consider making the switch over as well.. If you wish to transfer to email send me a note and I will make the switch.
