

Hi Ho Mustangers,

12/02/09

Well I am back. Things are still very busy at the HOSP. At least I have time to drop you all a note. The SEMA Show was a wonderful happening and I picked up a few things. The weather was great at 80+ every day and the gaming gods took pity on me and did not lose too much. The cars were great with a lot of GM and MOPARS. There were still a lot of Mustangs and hot rods to look at. All in all a great event.

This month we still have a few things going on like Toys For Tots at The Cameron's house. It will be on Dec. 12 at 4pm. Please try to attend or get a toy for this event. The need is great this year and all toys will be used. We all have a lot of money in our cars and if you think about it a few bucks to this group really would not hurt any of us. PLEASE think about it and Call Craig or Carol at 262-554-9491. Thank You All!!!!

The show planning meeting is on Dec. 13 at Jack Winter's house. We will going over all things with the car show from food to parking. All who are interested in putting in their input in to the show should be there or for ever hold their peace. After the meeting it is a huge task to change things as we will start flyer printing very soon and the press releases will be going out. The day of the show is not the time to bring up things. This meeting is the time to bring in your ideas.

On a personal note, Sue and I would like to take this time to wish all of you a very happy and healthy holiday season. I know all of us know how to drive and we are good drivers but, please watch out for the other guy. He is there when you least expect it and very unforgiving when it happens. Please be extra careful. MERRY CHRISTMAS!!!!!!

More next month.

Yours in Stangdom,

Tom

December 1, 2009

A hearty thanks to all of you that attended our annual planning/pizza meeting last night. It was a pleasure to work with you in the preliminary layout of next year's activities. Jack Winter is the guy who arranges this meeting every year. Plus, he was the bartender all night long. He must have made twenty trips to keep us all with liquid refreshment. Thanks, Jack. Every year we stick Dawn Raduchel with collecting the money at this event. She didn't let us down this year. Thanks, Dawn.

We had a debut of sorts with our new digital projector. The screen we used was a little on the small side, but, the clarity was great. We will be using it at our indoor events, as well as the Model A Swap in late February. In addition, we should be able to put it to use when we run our technical seminars.

We have the commitment from Ewald's Venus Ford for this year's show. Pat Deery, now the general manager, said they were excited and looking forward to it. He once again complimented our club on the execution of the show. Once we have our show meeting on December 13<sup>th</sup>, we will start ordering our plaques and trophies.

Starting this year our "Sponsors Page" at the back of the newsletter will take a different tack. Previously, we sold ads for \$45 a year or \$10 per month. I was the only paying advertiser for the past few years. Plus, we are more than in good shape financially. That section will be reserved for people and/or businesses that really help our club members. Ewald's Venus Ford, Waterstone Bank and myself will be the initial businesses on that page. As we proceed we'll add to them when appropriate.

We have had some great times this year with many of you. We look forward to another great year coming up. Sharon and I want to wish all of you a very Merry Christmas and a happy, healthy and prosperous New Year.

"Keep on 'stangin'".

## FROM YOUR EDITOR

Hello!

It's the holiday season again. Boy time flies too fast these days. I would like to wish everyone a safe and happy holiday. Don't forget that even though we may not have our cars out, there is still plenty to do in the club in the winter months. Check out the 2010 calendar for up coming events. Also don't forget to send in your 2010 Annual Dues!

### **Car Show planning meeting**

Our annual car show planning meeting will be held on December 16<sup>th</sup> for those on the committee. Guidelines for the 2010 Car show will be set. As always, it's never too early to start solicit for raffle gifts and fish bowl items.

## 2009 WEM Events Calendar

**PLEASE NOTE:** If you have anything to add please forward the information to me. We will add and make changes as the season progresses so keep viewing this calendar page monthly. We need volunteers for coordinating the outings. Without your help these events do not take place. Contact any club officer if you would like to assist in planning an event.
